Air quality permit to construct w/expanded public review and extensive public interest - 11 months	77.8%	9
Title V operating permit - 18 months for the new permits	50%	2
Title V operating permit - 12 months for renewals	72.4%	29

## **Table 4: Title V Permitting Summary** **(continue on next slide)**

---

	11/22/11	10/22/12	3/21/13	1/3/14	5/7/15	9/17/15	3/3/16	8/5/16
Applications pending for new Title V permits	4	1	1	2	2	2	1	0
Applications pending for new Title V permits that were received three years prior	0	0	0	0	0	0	0	0

## ***Table 4: Title V Permitting Summary***

	11/22/11	10/22/12	3/21/13	1/3/14	5/7/15	9/17/15	3/3/16	8/5/16
Applications pending for renewal Title V permits	11	24	30	41	33	32	22	22
Applications pending for renewal Title V permits that were received 12 months prior	4	4	7	11	10	8	7	7
Facilities with extended Title V permits	6	4	7	12	10	8	8	8

## **Table 5: Facilities with Administratively-Extended Title V Permits (continue on next slide)**

Facility	Permit Exp Date	Date Renewal App. Received	Status/Comments
Holcim	4/30/09	11/14/08	Holcim entered into Consent Decree with the U.S. Department of Justice in July 2013. As part of settlement, Holcim submitted a permit to construct application for modification of its existing Hagerstown cement plant to include additional controls. Prevention of Significant Deterioration (PSD) Approval issued on 4/11/14. Groundbreaking ceremony for plant modernization held on 7/21/14. Kiln start-up on 6/6/16. Revised Title V application received on 4/15/16
Luke Paper Company	6/30/13	7/1/12	Issue is with BART Regional Haze SIP limits.

# **Table 5: Facilities with Administratively-Extended Title V Permits (continue on next slide)**

Facility	Permit Exp Date	Date Renewal App. Received	Status/Comments
Naval Support Facility- Indian Head	4/30/15	5/2/14	Permit has been delayed due to major changes at facility; in particular, the conversion from coal to gas. The coal plant was officially de-commissioned on October 23, 2015. As a result, requirements related to coal utilization were removed from the Title V permit. Tentative determination to issue permit on 6/1/16
Fort Smallwood Complex	9/30/15	10/1/14	Tentative determination to issue permit on 5/16/16. Comments received from EIP on. Currently working on response to comments document

# Table 5: Facilities with Administratively-Extended Title V Permits (continue on next slide)

Facility	Permit Exp Date	Date Renewal App. Received	Status/Comments
Lifoam Industries, Inc.	1/31/16	7/31/15	The Title V permit is being issued in conjunction with an amended Non-attainment New Source Review Approval which has been delayed due to changes requested by the company in the type of control equipment to be used to meet emission limits.
Texas Eastern Transmission	2/28/16	3/1/15	Draft permit is under internal review. Citizens have already requested a public hearing (required under Title V regulations) and an informational meeting (not required but company has preliminarily agreed to participate)

# Table 5: Facilities with Administratively-Extended Title V Permits

Facility	Permit Exp Date	Date Renewal App. Received	Status/Comments
National Gypsum	03/31/16	5/15/15	Permit has been delayed due to significant modifications at the facility. Permit to construct issued to National Gypsum for these modifications on 3/11/16. National Gypsum must now submit a revised Title V renewal application to reflect these changes.
American Yeast	7/31/16	1/28/16	Tentative Determination to issue permit on 5/20/16. Public hearing requested and has now been scheduled for 8/8/16
